

Stripe In-store Terminal

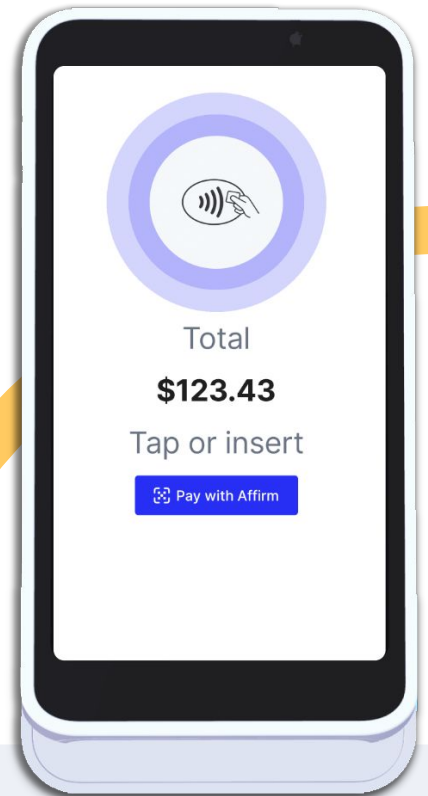

What is Affirm

Affirm is a **buy now pay later** service that **helps customers pay over time for more of what they love!**

With Affirm, there are no late fees, hidden fees, or paying interest-on-interest. Creating a convenient way for customers to get the things they need without paying for them all at once.

Benefits:

- Customers will **never owe more than they agree to** up front.
- Checking your eligibility will **not impact your credit.**
- Available on purchases **starting at \$50**

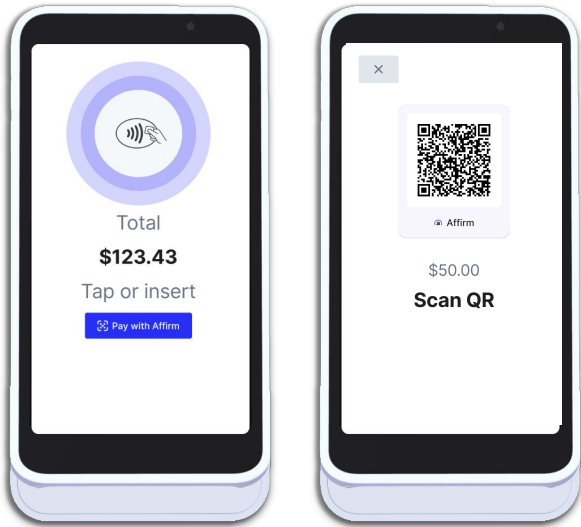

Checking out with Affirm

easy as...

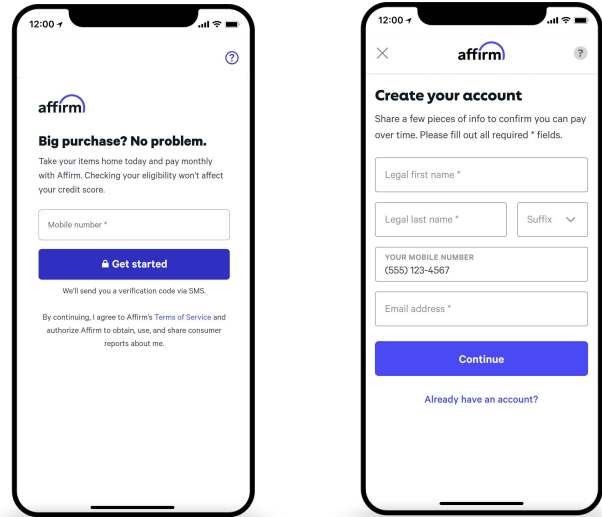

1. When your customer is ready to checkout, they can **select “Pay with Affirm” on the Stripe Terminal.**
2. From there, the customer will **scan the QR code that populates** to begin the Affirm application.
3. The customer will complete a **simple application** and, if approved, will **select the payment option** that’s best for them with **no hidden fees—not even late fees.**
4. The customer will **agree to the payment plan of their choice** and finish the checkout. The Stripe Terminal will receive the payment information that **shows the transaction is completed.**
